

AlmegA SeveN aka LK

AlmegA SeveN: born Joshua k. grier 12/17/1984. Brother to zta, born as a son of a preacher man. Came into the rap game at the age of 12, started producing in the year of 2005. Music comes as second nature to me as I came from a musically inclined family. I bring to the game a unique style with my rymes and my beats. It's like my favorite quote I made up to describe myself says: "Mediocrity is the root of all similarities, I'm prepared to think outside of the box. You don't make it in this world being like someone else, you have to be original, BE YOURSELF", AND THAT'S JUST WHAT I DO. AlmegA SeveN, the name is a perfect blend of greek letters meaning the begining and the end, which fits my style justly, when it comes to my stlye my music is a new begining, a unique style that is often imitated but never duplicated, and just like the God I trust in my music with ride til the end. Seven is the number of perfection and also my lucky number, the number reflects the perfection of my works. AlmegA SeveN is the name, SOUTH ST8 (State) is the production, producing music that is sure to give anyone pleasure.
