Biography of CJ Emulous

Introduction : Hi!

This is CJ Emulous of L.I.F.E. Style Ministries. I am a 22 year old, minister of music through gospel rap, and a man on fire for Christ! Emulous,

which comes from the word emulate- to strive to be better than, describes me best. Jesus told His disciples, to be the best, they have to make themselves least. Through my servitude and humility, I strive daily to be the best and grow more and more Christ like.

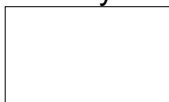

Vision and Goals : The goals of my ministry are simple! First and foremost, to bring all glory to God through obedience to His Word and allowing Him to use me to lead souls out of the dark and into a dynamic relationship with Jesus Christ. My ministry is not only music, it is my life. God showed me that this is just the beginning. This ministry will expand across the U.S. and will reach and save souls internationally.

Testimony: I was raised in the church, but strayed because of my lacking to understand the significance of a relationship with Jesus Christ. I went full on for the enemy and was involved in everything he stands for. When I was 20 years old, I was incarcerated into federal prison for shipping drugs to Hawaii and selling them along with guns. I was looking at a 10-12 year sentence with a low of 5 years, which meant I had to do at least 5 years to get out! In prison, I began to study the bible and understood that the wages of my sin was death. I did not want to live the life I was living any longer and told the Lord if I had to do 10-12 years, I deserved it and I wanted to change myself for when I got out. The Lord is truly faithful and honored my heart change. A little less than a year later, I walked straight out of the court room on sentencing day. Even though the "law" said I had to do at least 5 years, even though I pleaded guilty for my crimes, my true Judge, Jesus, said otherwise and poured out His grace on my life for His purpose. Now I am vowed

my life for His purpose. Now I am vowed to His will and the youth are my passion. I have led so many astray by the man I used to be, but God has giving me a chance to impact them with my testimony and my ministry.

History: I have ministered at over 50 venues, in 3 different states, in the past 7 months. I have completed 1 mix tape album and have featured on 3 other mix tapes, albums. I have planted seeds and watered successfully at all venues I have

ministered.
