

Infamous

Infamous was born & raised in Gadsden, AL. He had his 1st release back in 1999 "Bama Bounce" Since then he has worked and performed with artists such as Trick Daddy, Jadakiss, Styles P, DMX, Pretty Ricky, Rick Ross, Pit Bull plus many others. Now in 2007, Infamous has now hooked up with his biggest fan of all...God. He now has given his life over to Christ and is dedicating his life and his music to the "Git Back to God Revival/Freedom Music" movement. Infamous' album is titled "Freedom Music" because it will be his testimony of how Jesus set him free from the problems in his life and that God can do the same for all. This new album blends grimy, Dirty South beats, with conscious, street-smart lyrics. He currently has released a mixtape titled "HE IS LEGEND" under the company Straight From The Soul Entertainment, headed by his manager Corey Bivens. Infamous is for the the souls of the street and urges "church folks" to take on discipleship instead of just between the four walls of the church.
