

KamBINO

KamB.I.N.O. was destined to redefine rap before his first word was ever breathed into microphone....before he ever graced the stage of a crowded auditorium...before he found himself regarded as one of the best lyricists ever to promote “The Kingdom”.

Born and raised in Columbus, Ohio, KamB.I.N.O. has lived life on both sides of the fence—from the hood to the ‘burbs, convicted criminal to hardworking businessman, from sinner to saint.

Seeing life from both ends of the spectrum has given him a broad perspective and an almost uncanny ability to make music that transcends racial, social, and spiritual barriers. While his message has helped him gain notoriety in various Christian circles nationwide, his greatest joy comes from knowing he’s being used to reach those outside of the church.

Inking a deal with Sling Shot Media Group imprint (The Street Pastor, J.Flue, DJ Layne Luv); placed KamB.I.N.O. in the midst of what is said to be one of the fastest growing movements out of the Midwest. His debut album entitled REACH will be releasing on January 8, 2010.

REACH is only just the beginning of what KamB.I.N.O. has in store for the masses. With very few features on the project (those which include a very noteworthy collaboration with D-Maub and The Street Pastor) REACH gives you an opportunity to hear an artist in the process of channeling his considerable talent into a concentrated vision; SPREADING THE GOSPEL.
