

Legion Of Souls

Legion Of Souls (L.O.S) began in 2006. Made up of three men who in one way or another grew up in the midst of the street life. We all came to Christ in our own ways but under the same church, Segadores De Vida (Harvesters of Life). Joshua (J1) was initially doing secular music so his interest in music was not a stranger to him. One boring day, and all of us in one place was all it took for a song to come together... and that started L.O.S. Since then we have been given a vision to reach out and take the word of God to the streets through one of the most powerful and influencing tools currently known, music. We believe, our music is not your average Christian rap/R&B music, it holds passion, perseverance, and love and that gets delivered in every word we say. Our influences include first and foremost Jesus Christ. But additionally, our family members and our Pastors continuously provide the knowledge and support needed to keep going.
