

"Nikida Da Lyrical Apostle"

Antonio Sherman, Ceo of the TrueWordRecords[cgrmm] (aka) "NIKIDA DA LYRICAL APOSTLE" is a solo artists that is a contemporary gospel artist and a pure holy hip hop christian rap music minister, and Christian DJ with a positive message for our youth, and to those who have an ear to hear what the Spirit is saying. He is a actor/model/published author and one half of the Anointed True Light Praise Dance & Drama Ministry. Nikida Only use the Holy Bible as his tool and source of his music with the inspiration of the Holy Spirit, He is set out to make the world his stage, as he was sent to offer help & encouragement through his God given talents. The message is within his music.

He also being a ordain minister and associate Pastor at the Alpha & Omega Church of Christian Fellowship, chose not to put God in a box and choose not to bury his talents...but use them for the glory of God, and to plant seeds or water seeds in the life of others that whom the Lord God brings across his path throughout his ministries, limiting not himself to the four walls of the stationary church building....He states, " there're souls out there that need to hear the pure word of God..." Every talent and gift that he has he strives to sharpen and yield towards the work of the ministry...as he was commission. We need to understand this and that is that gospel music is not define by it's beat or rythem but by the message that it carries. "January 21, 2005. "Go tell my people says the Lord if they believe in me in my words..in my promises...then walk in them..I've already given them to you" You've been charge " The sole goal and purpose of TrueWordRecords Music Ministry is to continue on with the great commission as given by our Lord and Savior Jesus Christ...spreading the good gospel news of Jesus Christ using the Holy Bible and the leading of the Holy Spirit as our source...seeking to reach the young, and all who have an ear to hear what the spirit is saying...continuing on with the mission

is saying...continuing on with the mission
the was God given,and christian rap is just
the vehicle used to reached the people...as
the ark was the vessel that carried the
covenant,but the word is pure and is Spirit
lead. The gifts and talents that we all have
been blessed with are to be used for his
purpose. So we at "TWR" refuse to bury
their talents in the sand as the one servant
did in the story that our Lord Jesus
told,until the master return... There're lost
souls,oppressed souls,misleadedsouls that
need to hear the truth and be set free...to
bury our talents in the sand...and just wait
for the master to return... So when the
trumpet do
sound and when the rapture do occur and
when you're standing in the presence of
our God and Lord...and the question is
asked... What did you do with the talent
or gifts that I implanted in you to be used
for my purpose ? What will your answer
be ? I was afraid that they wouldn't accept
me. Or what I have to offer. And his
reply"My child of disobedience..they
didn't accept my Son but yet he was
obedience...even to death on the cross...
TrueWordRecords...Da Lyrical Apostle...
all glory to God !!!
