

## SLUGGER ROO

Born Darrin Williams in a little town called Alton ,IL.(outside of St.louis) Slugger Roo had many hardships growing up. Being the first born of young parents who were just trying to find there way, Slugger Roo found himself moving back and forth to California and Illinois. As a young deacon in church when he was about 10 he could read the Bible as good as an elder person, but by the age of 12 things changed he got into gangs. He became a Vice Lord at the tender age of 12. Now from multiple moves from state to state Slugger Roo was becoming a man. He wanted to take charge of his own life. From bad decision after another it left in a world of trouble. On Dec 14th ,2003 he committed his life to God and that was his best choice ever! So since then he has been tested in many areas in life from marriage,employment,church and prior management. The Lord has allowed Slugger Roo to overcome all those stumblingblocks. In Sept. of 2006 he started SLUGGER ROO,LLC. his own company. In which it will be in the fields of entertainment ,films ,modeling,and also a clothing line in late 07' (so get ready for that). To introduce to SRE to the world the Lord has appointed Slugger Roo to be the first artist on the label to spearhead this company as well as it partakes as ministry. In 07' and beyond you will see SRE and Slugger Roo doing God's work in the world. God Bless You!
