

## Salvations Army

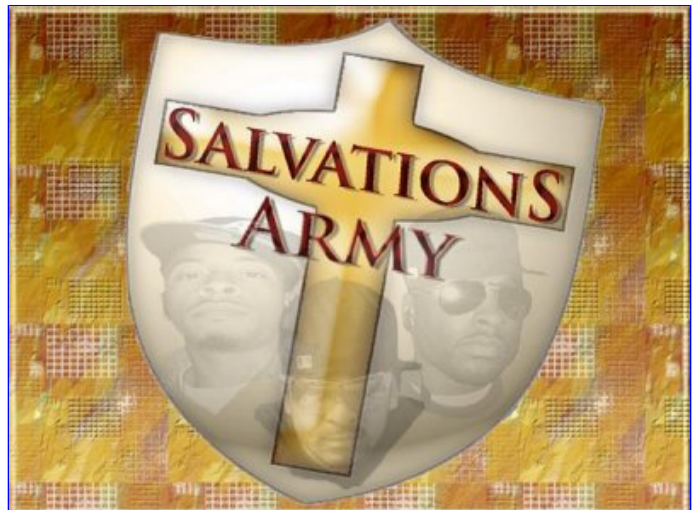

Salvations Army (G-Stat, WilChild, Sir-Viva) is a collaboration of Solo Artists that seek to spread the Gospel of Jesus Christ, with music as a medium.

We make it a point to never overshadow the Lyrical content (which is Sound Biblical Doctrine) presented in an easily audible format.

Salvations Army uses their various gifts exercised in the power of the Holy Spirit, to fulfill their duty in the body of Christ.

We understand that every artist sent out to display their gifts and abilities are not only representing the label, but God himself. We also understand that every artist sent out into the world is sent as a minister (teacher). He or she understands that they have been given much so therefore much is required. Because of their position, those who offend such a high calling will bring upon himself a stricter judgment.

This is who we are and this is what we adhere to!
