

## The Genius Crew

Genius exists to show that world that anyone can praise God in their own way. Started in January of 2006, Genius is hard to categorize into one style. We cannot be known as just a dance group, a rap group, or a singing group. We are all of that in one. Each member of Genius brings a unique dance style, personality, and creativity to the crew. Each song is a team effort influenced by situations and circumstances we see daily in our lives and the people around us. Realizing that our talent is nothing without Christ, Genius has teamed up with other artists across the country to dedicate themselves to spreading the gospel through music and dance.
