

## Walk Right Music

Walk Right Ministries is a collaboration of believers that seek to spread the Gospel of Jesus Christ, with music as a medium. We make it a point to never overshadow the Lyrical content (which is Sound Biblical Doctrine) presented in an easily audible format. Walk Right Ministries is a collection of artist using their various gifts exercised in the power of the Holy Spirit, to fulfill their duty in the body of Christ. We understand that every artist sent out to display their gifts and abilities are not only representing the label, but God himself. We also understand that every artist sent out into the world is sent as a minister (teacher). He or she understands that they have been given much so therefore much is required. Because of their position, those who offend such a high calling will bring upon himself a stricter judgment. All artist must adhere to our moral & doctrinal statement before joining Walk Right Ministries.
